Rules & Awards List

**Basic Rules** (for full details see Autosport Championship Articles)

- Only financial members of the club at the time of the running of an event are eligible for points towards the club championship from that event
- All drivers who complete documentation at an event but fail to finish are eligible for 1 championship point in the overall championship and the eligible class for that event.
- Organiser points:

- To reward and encourage members to organize events, organiser points are awarded to the leading organiser(s) of each event except rallies where there is a vast number of people involved. Exactly who is(are) the organiser(s) of each event is determined by majority of the club committee.  
- Points awarded to each organiser is half of the maximum driver points for that event i.e. 30 points for Rally, 20 points for Sprint and 15 points for Autocross. Should there be more than one organiser of one event the organiser points are divided evenly among them, rounding to the nearest whole point. These points only contribute to the Overall Club Championship i.e. not for Club Championship Classes.
