Class C	Open 2WD	Class F	Open Classic

DRIVERS OF INTEREST

Richard Mason

Subaru Impreza WRX STi
Richard and co-driving wife Sara are four time NZ Rally Champions and currently lead the 2014 championship. They are the team to beat today.

Matt Summerfield

Subaru Impreza WRX STi
Rangiora's best hope for 2014, Matt starts this event running second in this year's championship. His car is not as new as some but Matt is a real chance for a podium today.

Andrew Hawkswood

Mazda 2
His new Mazda 2 is a part of the new breed of cars entering the NZRC. A 4WD turbo built on a spaceframe chassis - the car and driver have what it takes to win today.

Marcus van Klink

Mazda RX7
Klinky's Mazda RX7 is rallied just as it would have been by the Mazda factory in the mid 1980's. Rear Wheel Drive with lots of power and a wild man at the wheel.

Matt Jansen

Subaru Impreza
One of Christchurch's top prospects to do well in 2014, Matt placed third here last year. His Subaru is built to win and Matt is a real chance today.

Ben Hunt

Subaru STi
Ben Hunt came close to winning the NZRC last year in his first season in 4WD. Fast and reliable, Hunt placed second here last year and is a definite chance for a win today.

Richard Baddock

Subaru Impreza WRX
Kaiapoi is in with a chance today with Richard Baddock and his PCASHT Subaru. Richard has done big things with this old car and will be on for a good result again today.

Graham Wilson

Toyota Starlet
You don't have to have a million dollar team to take part, or be a young bloke. Autosport Club president Graham Wilson has been Rallying nearly 40 years - a good bet to win the 1300 cc Class today.

Emma Gilmour

Suzuki Swift Maxi 1600
Currently the fastest lady in NZ Rallying, Emma is now in her 2nd season with her radical Suzuki Swift 4WD turbo. Like Hawkswood's Mazda 2, this is a new generation car built just for Rallying.

Garry Cowan

Toyota Corolla AE 86
Built by Toyota NZ and rallied by Paul Adams in the mid 1980's. This car made Ross Meeking famous with some spectacular drives at Rally NZ. A true classic which Garry uses to full effect.

STAY SAFE

Rallying can be dangerous and spectators are advised that they watch at their own risk.

Study these diagrams. The orange areas indicate PROHIBITED AREAS where it could be dangerous to stand. Do not go there as this could cause delays or the cancellation of stages.

GET AMONGST THE RALLY ACTION!

The Lone Star Rally of Canterbury brings the Brian Green Property Group NZ Rally Championship - driven by VINZ to Christchurch and North Canterbury. With new backing from The Lone Star Café and Bar group, along with their sidekicks at Joe's Garage, the rally promises top level action as New Zealand's best Rally Teams tackle the first two Okuku Forest stages in the dark on Saturday night, then race along many of North Canterbury's best gravel public roads on Sunday, finishing the high speed action with another run over the two forest stages Sunday afternoon.

The Rally starts at The Palms shopping mall in Shirley on Saturday afternoon 31 May. All the cars will be on display at The Palms from 3.30pm, and you will be able to meet the drivers during a poster signing session from 3.45pm. The first car leaves The Palms at 4.45pm. The Rally finishes at The Palms at 4.20pm on Sunday 1st June, providing another chance for you to get up close to the cars and drivers.

North Canterbury people will get extra opportunities to see the cars and drivers as they return to park overnight at the Rangiora Showground from 8.00pm on Saturday night, and leave from there from 7.50am on Sunday. A further point of interest will be watching the cars being serviced in Rangiora in the council car park behind the Fire Station and in the library car park. Rally cars will come in for service there on Saturday night from 7.15pm and again on Sunday from 1.20pm.

There will be over 50 teams taking on the challenge of the 2014 Lone Star Rally of Canterbury and you can be sure there will be action throughout the field. This spectator map will help you find the best place to watch the live action. It is 100% free of charge for you to get amongst the action at the 2014 Lone Star Rally of Canterbury.

DO...

- Always obey a marshall
- Stand in a naturally protected area
- Please leave your dog at home
- Understand that a car can crash in a very unpredictable way and place

DON'T...

- Assume that you can hear a car coming
- Stand on the outside of a corner
- Assume you can make a hasty escape from a car crashing - there's never time!
- Assume that rally cars will arrive at even intervals
