

## SEFTON AUTOCROSS 14 MARCH 2010

Well I don't really know what to say – the first event for the year and three people show up!!!!  
Nevertheless we had a fun, quick morning with a break for morning tea provided by Judith. Once again the hospitality of Judith Harrington and Michael Price was amazing. We finished the morning with a barbeque lunch but ended up in their lovely cool home as it was certainly sweltering outside.

Everyone was home for the afternoon. Thanks Chris for going to all that effort for three entries. Thanks Judith and Michael for everything.
