10. RESULTS

It is expected the unofficial results will be available at the Service Park.

Provisional results will be posted at the Lone Star, Manchester, 26 Manchester Street, Christchurch at approx 1930 hours on **Sunday 5th June 2016**. There will be a prize giving once all results have been finalised.

11. STAGE NOTES

The use of Stage Notes will be permitted provided that they are original copies as created for this event and supplied by the Motorsport NZ authorised provider, Neil Allport Motorsport.

Notes shall be ordered directly from the supplier using the order form on their website www.namsport.co.nz

These notes must be ordered no later than Friday 20th May 2016.

*Information: The stage note system uses an automated computer program to generate a description of the special stage road using sensors fitted to a vehicle driven through each stage.
Such notes describe the route in more detail than the Road Book and can be used without reconnaissance. The purchase and use of the stage notes is a direct contract between the competitor and Neil Allport Motorsport with the organiser's involvement being limited to authorising the use and facilitating the preparation and distribution on behalf of Neil Allport Motorsport.
There is no obligation on any competitor to purchase these stage notes*

12. Reconnaissance

An opportunity exists for those competitors who purchase the approved stage notes to take part in a convoy reconnaissance, this opportunity is NOT available to those who do not purchase the notes.

Reconnaissance will take place over one day, Saturday 4th June 2016, start time and convoy order will be advised at recce briefing

A fee of \$60 is payable per competitor. The convoy will be strictly controlled and regulations covering its operation will be attached in Acceptance of Entry

There is a compulsory briefing for reconnaissance, on Saturday 4th June 2016 at Joe's Garage, Alfred Street Rangiora when documentation has been completed.

13. SERVICING

All service vehicles are to be registered with the Organisers at the time of entry. They must display throughout the event the official windscreen decal, in the top left hand side. These will be issued at Documentation. Servicing from an unregistered vehicle will be deemed to be the same as servicing in a prohibited area and will be penalised accordingly.

Servicing will only be permitted within the confines of the designated Service Parks at the Rangiora Toyota Car Park, the Waimakariri District Council carpark and there is a Refuel Zone built into your touring after SS1 and SS5.

There may be a Regroup during the event, located at the Service Park.

All servicing must be carried out on a ground sheet. All rubbish created by service crews must be removed when packing up and there will be rubbish bins provided in the service park area.

There is limited space in the Service Parks and Service Zone, **Crews will be limited to only one service vehicle in the Service Parks**

14. RE-JOINING

Any competitor from any class may be allowed to temporarily withdraw from the rally and rejoin, under the following provisions.

The competitor must complete the Temporary Withdrawal form from the rear of the Road Book, and hand to a Control Official or Competitor Relations Officer. After repairs have been completed, the competitor may apply to rejoin the rally by completing the Rejoining Form and handing to the Service Park Control Official. If the application is granted, the competitor will be permitted to restart from the Service Park at an appropriate time.

Any competitor/s rejoining the event will not be classified as completing the event and will not feature in the final results as a finisher and will not be eligible for points for any Class in the Mainland Series and the Brian Green Property Group NZ Rally Championship **with the exception of Power Stage points.**

No competitor will be permitted to restart the rally once they have handed in a 'Final Withdrawal' form.

15. FUEL

Competitors are reminded of their obligations under the **Motorsport NZ code of practice – Fuel**, which is available on the Motorsport NZ website (www.motorsport.org.nz)

Please familiarise yourselves with the Code and ensure that you comply with, but no limited to, the following articles especially if you are transporting more than 250L of fuel.

Article 1.2.1, 1.2.2b, 1.2.3. – transporting Fuel

Article 1.3 – Storage

Article 2.3 – Service Park Practices and competitors Fuel Supply

This will assist with the prompt repair of damage. Any entrant found in breach of this regulation may be penalised in accordance with Appendix 1 Schedule P "Failure to report damage"

Competitors will be responsible for all costs associated with any repairs up to and including the insurance excess.

17.6 Vehicle Recovery

Should you stop and be unable to continue please have your withdrawal Form completed ready for the sweeper vehicle to collect. If your rally car is not recoverable by our 4WD tow vehicles and a more specialised form of recovery is required, this will be done after the event and at the drivers expense. If your vehicle is towable, our 4WD tow vehicles will tow your vehicle to the edge of the forest, for retrieval by their crews.

17.7 Power Stage

Competitors in **the Brain Green Property Group NZ Rally Championship** will contest Special Stage 9 as their power stage

17.8 RALLYSAFE

The Canterbury Rally will be using 'Rallysafe' technology on this event. This will be compulsory for all competitors. The technology offers significant benefits and an overview of the system can be found on www.rallysafe.com.au

THE UNITS WILL BE ISSUED AT DOCUMENTATION AND YOU MUST PICK UP YOUR CORRECT UNIT.

The system will require competitors to incur extra costs:

- A one off cost to purchase aerials, brackets and a wiring kit, expected price to be about \$260 dependent on money exchange rate.

This system has substantial benefits for both competitors and organisers including:

- Real time tracking via GPS/Satellite transmission
- In-car hazard notifications including 'SOS' capability
- Timing (using light beams) aligned with in-car communication system.
- Ability to view progress of any car via internet and google maps.
- 'Push to pass' capability

As outlined above, implementation of the Rallysafe system will require the competitor to make a one off purchase of brackets, aerials and wiring kits using the online order form given below. Competitors are advised to place their order as soon as possible.

Below are the links and information provided by Rallysafe

"We've just upgraded our website, so all orders can be placed online. The website address is <http://rallysafe.com.au> or the direct address to the installation kit is <http://rallysafe.com.au/shop/product/rally>
